

What the course will involve -

The course develops skills learnt at GCSE level. Students will learn how to use French for the purpose of communication, and also develop their ability to analyse, give and exchange information on a wide variety of social issues. They will learn to express their ideas, attitudes and opinions in French.

For AS Level, topic areas include media, popular culture, family relationships and health. In A2, the topics are environment, contemporary social issues and the multicultural society.

Students may also study the civilisation and culture of France. A willingness to participate in visits abroad and other language development opportunities is also important. Students will have the opportunity to take part in a developing exchange programme with partner schools through the Chamber of Commerce in Chalon.
