5<sup>th</sup> September 2013

Dear Parent/Guardian

### Y11 – Raising Achievement Evening

Welcome back! Each year we reflect on the achievement of our young people and celebrate their success. This year, we have had excellent numbers of students enrolling for our post-16 programmes based on student success in GCSE/BTec's. In addition, 58% of our students achieved 5 or more GCSE A\* - C grades including English and Maths.

We are not content to settle for students achieving their target grades, we want them to exceed their targets. We have already started with procedures that will ensure you are kept fully up to date with the progress of your young adult. We would like to invite you to a **Raising Achievement Evening** on **Wednesday, 11<sup>th</sup> September at 6.30 p.m.** at the college's 11-16 campus site.

The purpose of the evening is to advise you of strategies that you as a parent could employ at home to ensure your young adult gets the best out of their final year here and to give information about options for further education. Remember – this year cannot be repeated!

Please try to attend – it will only last one hour (maximum). Students are welcome to attend with parents/carers. Refreshments will be available.

We look forward to seeing you on the 11<sup>th</sup> September but should you have any queries in the meantime, please do not hesitate to contact either Mrs Gorman or myself.

Yours sincerely,

Yours sincerely,
