COWLEY WEEKLY NEWSLETTER (28)

Week Beginning 30th March, 2009

Enjoy Easter

We hope everyone enjoys the Easter break and the longer warmer days to come. Take time to think about the meaning of Easter. Those students facing life changing exams should spend time checking their notes and doing some revision, it will be worth it in the end. Remember, every holiday we make the same plea, think about what you are doing. If an activity or a situation feels dangerous, it probably is! We want you back safely after Easter.

DATES FOR YOUR DIARY - NEXT HALF TERM

We will be running a revision booster for speaking tests on
Saturday April 25th
10.00—2pm. Lunch provided.
See M.F.L. staff for details.

Rugby News

Cowley rugby goes from strength to strength with four of our five teams contesting the Town Rugby League finals.

U16's

After a tremendous semi-final performance defeating a much fancied St. Cuthbert's 28—10, the year 11 boys failed to raise their game in the final losing 24-22 to Rainford. A penalty with the last kick of the game was the cruellest way to lose a final. Hand and Case ran hard in the forwards with Swift and Fishwick looking dangerous in the backs.

U15's

A thriller saw the under 15's triumph in the pouring rain, over a strong St. Aelred's team. Tireless running by Skupski saw him cross over for three well deserved tries. He was well supported by the hard working Morley and the ever creative Foster. A fine all round team effort saw the year 10 boys run out 26-24 winners.

U13's

After a tremendous team display in the semi-finals defeating De La Salle 51-0, the U13's were ready for the town finals. After a close first twenty, the year 8 boys showed the value of playing and training together all year and ran out convincingly 28-10 winners. Crehan and Gough were the pick of a lively back line with Houghton Finney and Baugh impressing in the forwards.

U12's

The year 7 boys took to the field at Saints looking the part. As a special treat for reaching the final the U12's were allowed, for the first time, to wear the famous red and white hoops of Cowley. It obviously did the trick as they won convincingly, 32-4. Jackson impressed, scoring the opening try and showing great determination in defence. As the game progresses the handling skills of Rigby and Darwin coupled with the powerful running of Eccleston proved to be too much for Sutton. A great performance by our year 7 boys, and Mr. Bennett was also impressive with his water carrying skills.

We think he's done that somewhere before!!

Achieving the highest standards together
