

Geography preparatory work 2

Context	<p>In Geography you will follow the AQA specification.</p> <p>Units of work:</p> <table border="0" style="width: 100%;"> <tr> <td style="width: 50%;">Changing Places</td> <td style="width: 50%;">Population and the environment</td> </tr> <tr> <td>Ecosystems</td> <td>Global systems and governance</td> </tr> <tr> <td>Coastal landscapes</td> <td>Water and carbon cycles</td> </tr> </table> <p>See you in September.</p>	Changing Places	Population and the environment	Ecosystems	Global systems and governance	Coastal landscapes	Water and carbon cycles
Changing Places	Population and the environment						
Ecosystems	Global systems and governance						
Coastal landscapes	Water and carbon cycles						
Tasks	<ol style="list-style-type: none"> 1. Continue to watch Ted talks that interest you and summarise in no more than 50 words. 2. This task links directly to the A Level course (Water and carbon cycle and Ecosystems). Research the link between the burning of the Amazon rainforest and carbon cycles. Summarise in approximately 250 words. <p>Useful websites:</p> <p>https://serc.carleton.edu/eslabs/carbon/4a.html</p> <p>https://www.amazonfrontlines.org/chronicles/three-critical-consequences-of-the-amazon-fires/</p> <ol style="list-style-type: none"> 3. This task links directly to the A level course (Population and the environment). Write a report on the geography of disease. Your case study needs to be COVID-19. 2500-3000 words <p>Things to include:</p> <ol style="list-style-type: none"> I. The global spread of the disease (include maps) II. The effects of the disease (demographic effects, health effects, economic effects and environmental effects) III. Different ways countries/areas are managing the disease IV. The role of the World Health Organisation <p>Useful websites</p> <p>https://www.bbc.co.uk/news/coronavirus</p> <p>https://www.theguardian.com/world/coronavirus-outbreak+tone/explainers</p> <p>https://www.theguardian.com/world/coronavirus-outbreak+world/world</p> <p>Bring all work to your first Geography A Level lesson.</p>						
Become a better geographer...	<p>Watch television:</p> <p>Simon Reeve documentaries on BBC iPlayer (aim to watch one a week). BBC four has plenty of documentaries in the evening – take a look!</p> <p>Listen to the following:</p> <p>RGS podcasts - https://www.rgs.org/all/?categories=Podcast</p> <p>These podcasts relate directly to the course:</p> <ol style="list-style-type: none"> I. Changing urban places through poetry II. Ocean governance and political seas III. Forests and the carbon cycle IV. How do we map global change <p>Summarise each. Be prepared to share with the class in your first Geography A Level lesson.</p>
