

June 2022

Dear Parent/Carer,

The planning for September started many months ago to enable your child to have a fresh strong start to next year. There are five key points about which I must inform you about.

1. Entrances and exits to 11-16 site
2. Plastic free Cowley
3. Parents' evenings
4. Staff structure
5. End of term

### Entrances and exits

From Friday 1<sup>st</sup> July we will return to the two standard entrances and exits (Gamble Avenue and the East entrance). The main entrance and college car park can continue to be used for students with valid passes.

Students will be greeted by staff where uniform checks will take place. Please continue to ensure your child arrives to college in full uniform with all the required equipment.

### Plastic free Cowley

The college is moving towards being plastic free from September 2022, as we all must do our bit for the environment. It is no longer appropriate that we buy and sell plastic bottles, so from September, students will be required to have a reusable water bottle with them as part of their equipment. We will be providing all students with a Cowley reusable bottle and installing more water fountains.

### Parents' evenings

The data shows when parents attend parents' evenings their child performs on average 2 grades better at GCSE. The Y7 and Y9 summer parents' evenings have been a success, and it is wonderful to see families back in college. Next year all Parents' evenings will take place in person, as we are not using remote facilities; it is important that parents come into college, meet staff, and see how we can work together to help your child achieve. The Y8 parents' evening will be held on Thursday, 30<sup>th</sup> June and the Y10 parents' evening will be held on Thursday, 7<sup>th</sup> July. We are looking forward to seeing you there.

### Year Teams from September 2022
