OPEN EVENING

We held our Open Evening last night and, wow, what a busy night it was! It was wonderful to meet all the prospective Cowleians and to showcase the College to those students and their families.

I hope you all found the event useful and informative, it was lovely to see so many of you here.

I want to congratulate and thank our Student Leaders who did a fantastic job of presenting to parents and talking about their experience at Cowley. They spoke with great confidence, I am extremely proud of all of them. Well done!

Y7 ENRICHMENT FAIR

It was lovely to see so many Y7 students exploring and signing up for Enrichment activities as we held our annual Freshers Fair on Tuesday.

There are so many great opportunities for students to get involved with outside of their studies, please look out for the full Enrichment timetable which will be published early next week.

ALL STAR AWARDS

Congratulations to our four students who have been shortlisted at the first St Helens Secondary Schools All Star Awards.

This new event has been set up for the secondary schools across the borough to recognise the exceptional talents and contributions of students in St Helens.

These students are up for awards in the following categories:

- Leadership award
- Creative Performing Arts award
- Resilience award
- Environment award

The awards ceremony takes place on Thursday, 10th October. Please join me in wishing them all the very best.

LITTLE SHOP OF HORRORS

Following last week's auditions, the cast list is out and I'd like to congratulate all the students who have been chosen to be involved with the production.

We have some incredibly talented Performing Arts students here at Cowley and I'm certain that it will be yet another fantastic production.

My thanks go to the Performing Arts team, please check out the poster on the next page for all the details of the upcoming performances.

COWLEY LIVE LOUNGE

Continuing with the Performing Arts theme, I'd like to point you in the direction of the Cowley Live Lounge.

The Performing Arts department have set up their own YouTube channel and have started a Live Lounge section which features a couple of fantastic performances by Hol Clark, who recently completed her seven years at Cowley having completed her Sixth Form studies.

Please check it out here.

CAREERS FAIR

Head of Sixth Form, Mr Watkins, was joined by our Sixth Form Head Boy and Head Girl at the St Edmund Arrowsmith High School Careers Fair yesterday.

They had some fantastic conversations with the students there about life at Cowley Sixth Form.

DATES FOR THE DIARY

Y10 & Y11 parents, please add these dates to your diary for the Cowley Sixth Form Open Evenings.

It's your chance to find out about what we have to offer Post-16 and a chance to meet and speak with staff and current students.

We have an online booking system open for you to sign up to attend. Please head to: www.ticketsource.co.uk/cowley-sixth-form-college

Wishing you all a lovely weekend.
