

KEY EVENTS NEXT WEEK

Tuesday, 19th November
Futures Fair (12:15-3:45pm)

Wednesday, 20th November
Follow on round of the Senior Maths Challenge

Friday, 22nd November
Sixth Form Fundraising Marketplace

REMEMBRANCE

I am always extremely proud how Cowley and our students respond to Remembrance Day. I know that many students were involved in the services last Sunday and it was wonderful to see the large number of students in their cadet uniforms on Monday for our services.

The whole college paused to remember and the atmosphere was very moving.

STUTTGART TRIP

Earlier this week, the Cowley Sixth Form choir performed at a special event at Stuttgart Town Hall to mark the retirement of Stuttgart council leader, Andrea Klett-Eininger.

The choir were invited as part of the town twinning with St Helens to showcase our town's musical talent.

The choir sung three songs as well as joining up with some students from our Stuttgart twinned school, Porsche-Gymnasiums, to perform a version of 'Only You' by Yazoo.

Please take a look at some of the videos that are on the college social media pages.

The students represented the college and the town of St Helens magnificently and I'm incredibly proud of them.

ANTI-BULLYING WEEK

Throughout the week, we have had a number of activities and education around Anti-Bullying Week and on Tuesday, I joined students and staff in wearing my brightly coloured odd socks which was the talking point in some of the meetings I had with some visitors to the college!

I am always proud how students care and support each other and how staff respond to bullying or conflict. Saying this, we cannot be complacent with bullying and we'll continue to educate our community and evolve with emerging requirements.

PRINCIPAL'S AWARD

Congratulations to this week's recipients of the Principal's Award. I very much enjoyed speaking to them over breakfast about their achievements.

I'm extremely proud of them, keep up the fantastic work!

Y11 PREPARING FOR SUCCESS EVENT

Last night, we provided parents with some vital information to ensure their child has a successful, supportive and happy exam season.

As mentioned to parents, it is not going to be easy, but it's important for the students to have great attendance to college, come to the extra revision classes and revise at home. It is that simple!

There is nothing to worry about, but hard work is required.

Wishing you all a lovely weekend.

Mr Cormack
