

WHAT'S HAPPENING NEXT WEEK

Tuesday, 22nd October - Saturday, 26th October

Little Shop of Horrors - whole college musical production (multiple performances)

Tuesday, 22nd October
Connect 4 Challenge (3:30-4:30pm)

SIXTH FORM OPEN EVENING

It was fantastic to see so many prospective students and families from a wide range of local secondary schools attend the Cowley Sixth Form Open Evening last night.

It was a really busy event and it was great to see students considering their future and being aspirational.

Applications for Sixth Form are now open for September 2025 online at www.cowleysixthform.org.uk/apply-now.

POWER CUT

We had a power outage this morning, with electricity coming back on at 10:20am. I would like to extend my thanks to the students who showed their maturity and the staff in the way they responded to the situation. I'd also like to thank parents and carers for the trust and patience while we dealt with a difficult situation.

MERTON BANK ASSEMBLY

Mr Rowland and four Y7 students delivered an assembly to Y6 pupils at Merton Bank Primary School this week.

We have developed some really strong partnerships with our feeder primary schools and I am extremely proud of the students for showing such confidence to stand in front of the assembly and speak so eloquently. Well done!

LITTLE SHOP OF HORRORS

Rehearsals for the whole school musical production are continuing and going really well. The set has been delivered and looks wonderful and professional, as always. If you would like to attend one of the performances, please email tickets@cowleysthelens.org.uk to book your seats. Please check page 2 for further details.

WEAR IT RED - SHOW RACISM THE RED CARD

To support the campaign organised by Show Racism The Red Card, students and staff have today been wearing red ribbons.

Here at Cowley, we are proud to celebrate and learn about diversity and we're proud to support this campaign.

MP MARIE RIMMER VISITS MANDARIN STUDENTS

We were delighted to welcome MP Marie Rimmer to Cowley this week to come and meet and speak with some of our Mandarin students.

Some of the students who visited China back in July met with the MP to discuss their experience of the excursion and explain how they have found learning the language.

After a brilliant 45-minute conversation with the students, the visit went into a Mandarin lesson to showcase how we teach Mandarin here at Cowley.

I would like to thank Marie for coming into college and meeting with our students, who thoroughly enjoyed meeting her and sharing their experiences of a trip of a lifetime.

Wishing you all a lovely weekend.

Mr Cormack
