Principal's Award

Congratulations to all the students who achieved the Principal's Award this week. It's a massive achievement to be nominated by the year team for this award and I'm really proud of the students.

Extracurricular activities

We are extremely proud of the wide range of extracurricular activities on offer at Cowley. Our newest addition to the programme is the Olympic sport of Fencing and it was fantastic to see so many students in attendance for the first session last Monday. Please check the website for the [full timetable](#).

BBC Radio 4 'Any Questions?'

What a fantastic occasion it was last Friday evening with the live broadcast of BBC Radio 4's long-running show 'Any Questions?' coming from Cowley Sixth Form College.

It was an absolute pleasure to welcome the BBC to Cowley and I must thank their staff for being so accomodating and giving tours to some of our students to show them exactly what goes into making a live broadcast.

I must also thank the Cowley Sixth Form College students who played an active role in ensuring the smooth running of the event by directing guests on where to park, as well as to help sign in visitors.

Prior to the broadcast, the Sixth Form Head Boy and Head Girl met the panelists in the Green Room, and spoke about their future aspirations, which was met with some insightful and valuable advice.

Y11 Parent Orientation Evening

Thank you to all the parents and carers who attended our Y11 Parent Orientation Evening on Thursday.

It's all systems go as we prepare the students for their summer exams and the level of support and guidance to help them to achieve their academic aspiration is incredible.

WE SEE THE PERSON AND THE POTENTIAL

On Thursday, 28th September, we open the doors to Y10 and Y11 students and their parents/carers, from Cowley and across the borough, to the first of Cowley Sixth Form College's Open Evenings.

This is a great chance to find out about the courses, enrichment opportunities and support on offer at Cowley Sixth Form College, as well as see the fantastic facilities.

There will be lots going on, with staff and students on hand to answer any questions you may have. I hope to see you all there.

Sporting success

It's been great to see our sporting teams back in action. Well done to our Y10 and Y7 footballers, and our Y9 rugby team who made it to the next round of the Lancashire Cup!

Wishing you all a lovely weekend.
