Y9 Speedy Careers

KS3 Performance (5pm)

Friday, 4th July

Y12 visit to Edge Hill University

Cowley Y10 Sixth Form Taster Day

Kieran Doherty Memorial Cricket Match

(3:30pm)

Y13 Leavers Celebration

Principal's Award

Congratulations to this week's winners of the Principal's Award! It was brilliant speaking to the students about their achievements over breakfast, I'm really proud of you!

Cowley's Got Talent

On Tuesday, we hosted a fantastic Cowley's Got Talent event in Cowley International Hall. It was fantastic to see so many students involved from across the entire college, from Y7 right up to sixth form.

Cowley certainly does have plenty of talented students, and I'd like to congratulate all participants for their exceptional performances and well done to our winners!

Y12 Progression Week

It has been a very busy week over on the sixth form, with all of the Y12 students taking part in our annual Progression Week.

We have had more than 60 organisations visiting the college from universities, employers and training providers to offer the students information and support about their future prospects and opportunities.

We understand how important our role is at Cowley to prepare our students for the next stage in their education or employment, which goes right the way through from Y7.

All the students were looking super smart on Wednesday as they had a mock interview, and the feedback we have received about the students throughout the week has been really positive. Well done!

I'd like to thank all the universities, employers, training providers and a number of alumni who came in to support this week's events.

Behaviour for Learning

This has been the first week that we have been running our new Behaviour For Learning and pastoral systems. As expected, we have seen only a few incidents resulting in a sanction, with the vast majority of students responding well to the raising of standards. Thank you to the parents I spoke to at Cowley's Got Talent for their supportive comments about these new processes.

Cricket success

I was delighted to hear about our cricket team's first victory of the year as they beat St Edwards in Liverpool!

The team played superbly with both ball and bat, showing real determination to chase their target of 93 down with 10 balls to spare and a big six to win it!

I know how much effort they have been putting in and I'm delighted their hard work paid off with a victory to celebrate. Congratulations!

Sports Day

One of the highlights of the college calendar, Sports Day, took place today on the top field.

As always, the PE department put on a great event and it was wonderful to see so many students taking part in some excellent sporting competition.

Well done to everyone involved and congratulations to our winners. Please see a selection of photos from the day on the following pages.

11-16 car park

Please can I remind parents and carers not to use the 11-16 car park unless your child has a disability, a main entrance pass, or you have a prearranged meeting at the College.

We need to ensure the car park is safe and accessible for the students and families that require this area. Thank you for your cooperation with this issue.

More details can be found on our website: <https://www.cowley-st-helens.sch.uk/key-information/parking-drop-off-and-pick-up-faq/>

Wishing you all an enjoyable weekend.

Mr Cormack
