

COMING UP NEXT WEEK

Tuesday, 10th June

Junior Maths Challenge, Kangaroo Round

Wednesday, 11th June

Y9 trip to University of Liverpool

Thursday, 12th June

Parents' meeting for Y9 French trip to Loire Valley

Friday, 13th June

Y10 Mandarin students trip to University of Liverpool

Welcome back

It's been a great first week back after the half term break and the students have returned looking smart and ready to learn, which has been fantastic to see. Thank you for your assistance with this.

My Child At School app

As you will have seen from correspondence sent home and social media, we're moving from ClassCharts to MyChildAtSchool as our new platform for behaviour and achievement tracking to make it easier than ever for you to stay updated on your child's school life.

You will need to activate the account once you receive your login over the next few days. Staff will begin using the new system from Monday 16th June to log behaviour and achievements. Class Charts will not be updated from Friday 13th June.

Here is a useful overview on the system for parents:

Behaviour for learning assemblies

This week, Mr. Dickinson delivered assemblies to students in Years 7–10, outlining some important changes being introduced this term in preparation for September.

These changes are designed to raise standards at Cowley and reflect feedback from parents, staff, and students, focusing on Professional Standards, Classroom Expectations, The Red Card System, Inclusion and Support from Pastoral and Wellbeing Teams.

Sports news

Congratulations to the cricketers who represented Cowley in this week's match against Hope Academy at Newton Cricket Club.

The team put in a fantastic performance and achieved their highest run total to date, a brilliant milestone and testament to their hard work and progress! I'm proud of you, well done!

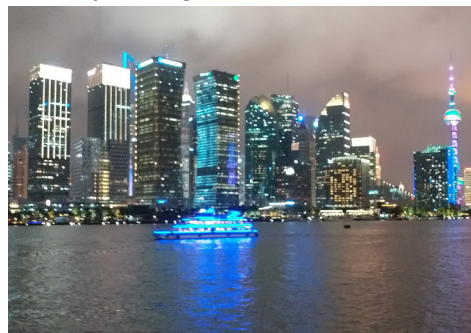

Exams

It has been another busy week of exams and revision and I continue to be impressed by our students' academic aspiration.

They are showing great dedication in both their revision lessons as well as in the exam hall. The finish line is in sight! Keep going!

Please continue to keep a positive routine at home with revision and getting to bed in good time in order to give the students their best opportunity to achieve their full potential.

China trip meeting

The parents' meeting for those students who are going to China in a couple of weeks took place yesterday evening. What an amazing opportunity it is for these students!

Miss Hape and Mr Foster have everything planned for what I'm sure will be another trip of a lifetime for our students.

Green Blue Peter badge

I was delighted to see that one of our Y7 students has earned herself a Green Blue Peter badge for her fantastic work and contribution to our Eco Committee!

This special badge is awarded to young people who care about the environment and take action to protect it, going above and beyond. Well done!

Sixth Form interviews

Tomorrow morning, from 10:00am - 12:00noon, Cowley Sixth Form College is running another set of interviews for any Y11 students who have yet to have one.

This is an important part of the application process to sit down and discuss your course choices and make sure they're the right ones for what you want to do.

If you haven't had an interview yet, please book an appointment online at <https://www.ticketsource.co.uk/cowley-sixth-form-college/e-jqkgrd>.

Wishing you all an enjoyable weekend.

Mr Cormack
