CHARGING AND REMISSIONS POLICY (including Lettings Policy and Procedures)

Status	STATUTORY
Responsible Governors' Committee	Finance, Personnel and Premises
Date first approved by GB	25 th January 2018
Responsible Person	Business Manager
Next review Date	Spring 2023
Ratified Date	Spring 2022

The Governors and staff of Cowley International College believe that all our pupils should have an equal opportunity to benefit from college activities and visits (curricular and extra-curricular) independent of their parents'/carer's financial means. This Charging and Remissions Policy describes how we will do our best to ensure a good range of visits and activities is offered and, at the same time, try to minimise the financial barriers which may prevent some pupils taking full advantage of the opportunities.

The 1996 Education Act requires all schools to have a policy on charging and remissions for school activities, which will be kept under regular review. The review date for this policy is recorded on the front sheet of the document.

The policy identifies activities for which -

- No charges will be made.
- Voluntary contributions may be requested.
- Charges may be made.
- Charges may be waived or subsidised.

Education

No charge will be made for:

- an admission application;
- education provided during school hours¹ (including the supply of materials, books, instruments or other equipment);
- education provided outside of school hours if it is part of the national curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;
- instrumental or vocal tuition, for pupils learning individually or in groups, unless the tuition is provided at the request of the pupil's parent;
- entry for a prescribed public examination, if the pupil has been prepared for it at the school; and
- examination re-sits if the pupil being prepared for the re-sit(s) at the school².

A charge may be made for:

- any materials, books, instruments, or equipment, where the child's parent wishes their daughter/son to own them;
- optional extras (see next section);
- music and vocal tuition, in limited circumstances (see Music Tuition section);
- community facilities.

¹ See section 452 of the Education Act 1996 for further information as what counts as during school hours or contact the School Business Manager for further guidance.

² However, if a pupil fails, without good reason, to meet any examination requirements for a syllabus, reimbursement of the fee will be pursued with the parent.

Optional extras

A charge may be made for:

- education provided outside of school time that is not:
 - a) part of the national curriculum;
 - b) part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school; or
 - c) part of religious education.
- examination entry fee(s) if the registered pupil has not been prepared for the examination at the school;
- transport (other than transport that is required to take the pupil to school or to other premises where the Local Authority/Governing Body have arranged for the pupil to be provided with education);
- board and lodging for a pupil on a residential visit;
- extended day services offered to pupils.

In calculating the cost of optional extras an amount may be included in relation to:

- any materials, books, instruments, or equipment provided in connection with the optional extra;
- the cost of buildings and accommodation;
- non-teaching staff;
- teaching staff engaged under contracts for services purely to provide an optional extra; this includes supply teacher engaged specifically to provide the optional extra; and
- the cost, or appropriate proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, or vocal tuition, where the tuition is an optional extra.

Any charge made in respect of individual pupils will not exceed the actual cost of providing the optional extra activity, divided equally by the number of pupils participating and will not include an element of subsidy for any other pupils wishing to participate in the activity whose parents are unwilling or unable to pay the full charge.

Participation in any optional activity will be on the basis of parental choice and a willingness to meet the charges. Parental agreement is therefore a necessary prerequisite for the provision of an optional extra where charges will be made.

Voluntary contributions

Where no charge can be made, voluntary contributions will be sought to extend the number of opportunities available to our pupils. It will be made clear to parents that there is no obligation to make any contribution; however, if the activity cannot be funded without voluntary contributions, this will be made clear to parents from the outset.

All students will be given an equal chance to go on a visit and no child will be excluded from an activity simply because their parents are unwilling or unable to make a contribution. If insufficient voluntary contributions are raised to fund a visit and the school cannot fund it from another source, the visit will be cancelled and any contributions made refunded.

In circumstances when demand outweighs the place available, a random name generator programme will be used.

Music Tuition

No charge will be made for:

- instrumental or vocal tuition which is an essential part of the national curriculum;
- instrumental or vocal tuition provided for a pupil who is looked after by the Local Authority.

A charge may be made for:

- instrumental or vocal tuition provided either individually or to groups of any size, provided that the tuition is provided at the request of the pupil's parent.

Transport

No charge will be made for:

- transporting registered pupils to or from the school premises, where the Local Authority has a statutory obligation to provide transport;
- transporting registered pupils to other premises where the Governing Body or Local Authority has arranged for pupils to be educated;
- transport that enables a pupil to meet an examination requirement when he has been prepared for that examination at the school;
- transport provided in connection with an educational visit.

Residential visits

No charge will be made for:

- education provided on any visit that takes place during school hours;
- education provided on any visit that takes place outside school hours if it is part of the national curriculum, or part of a syllabus for a prescribed public examination that the pupil is prepared for at the school, or part of religious education;
- supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential visit.

A charge may be made for:

- board and lodging and the charge will not exceed the actual cost.

When parents are informed about a forthcoming visit, it will be made clear that parents who can prove they are in receipt of the following benefits will be exempt from paying the cost of board and lodging:

- Universal Credit (provided you have an annual net earned income of no more than £7,400, as assessed by earning from up to three of your most recent assessment periods)
- Income Support
- Income Based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration & Asylum Act 1999
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Guarantee element of State Pension Credit
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit

Lettings Policy and Procedures

1. Introduction

The Governing Body regards the College buildings and grounds which are owned by St Helens Council as a community asset and will make every reasonable effort to enable them to be used as much as possible.

However, the overriding aim of the Governing Body is to support the College in providing the best possible education for its pupils, the promotion of equality of opportunity and the community cohesion of the local area. Any lettings of the premises to outside organisations will be considered with this in mind.

2. Definition of a letting

A letting may be defined as:

“Any use of the College buildings and grounds by parties other than the College. This may be a community group such as a local football team or a commercial organisation such as a local judo club”.

3. Priority for lettings

The Governing Body is mindful of the needs in the local area and has carried out an assessment of local needs. This information has been used to assess the priorities for lettings.

The following lettings are especially encouraged:

- Educational activities open to College pupils and their families
- Recreational activities open to College pupils and their families
- Activities organised by local community groups for the benefit of the local community
- Activities for groups with protected characteristics.

4. Charges

The Governing Body is responsible for setting charges for the letting of the College premises.

The scale of charges will be reviewed annually by the Governors' Finance, Personnel and Premises Committee for implementation from the 1st April of each year.

For the purpose of charging, the Principal is empowered to determine to which group any particular individual or organisation belongs. The basis of charging will be determined by the purpose for which a letting is arranged.

The College is constrained by law to apply value added tax to all transactions where this is appropriate.

The minimum hire period is one hour.

The College reserves the right to recharge the user the cost of any damage to the premises or equipment and/or the cost of any additional cleaning/caretaking or other expenses where the premises are left in an unacceptable condition.

The College will seek to recover any cost incurred by the College that is unavoidable and result directly from the cancellation of a letting. The timescale and charges for cancellations are set out in the Conditions of Letting of College Premises (see Appendix ii).

5. Letting times and available facilities

The available facilities are agreed as follows:

Term Time	<u>Monday to Friday 5pm to 9pm, Saturdays and Sundays 9am to 6pm</u> Sportshall, Gym, Playing fields, 3G <u>Monday to Friday 8am to 9pm, Saturdays and Sundays 9am to 6pm</u> Classrooms, Cowley International Hall, Cowley Hall
School Holidays	<u>Monday to Friday 8am to 9pm, Saturdays and Sundays 9am to 6pm</u> All facilities

Variations to these facilities and times are subject to the approval of the Principal.

6. Conditions of Letting of College Premises/Conduct of users

This is set out in the Conditions of Letting of College Premises (Appendix ii).

7. Security

The Principal has delegated authority to determine the security risk for each letting and is responsible for allocating a continuous security presence or other control measure.

8. Management of lettings

The Governing Body has delegated day-to-day responsibility for lettings to the Principal in accordance with the Governing Body's policy. The Principal has delegated all of this responsibility to the Business Manager, whilst still retaining overall responsibility for the lettings process.

A risk assessment will be undertaken to assess the level of Public Liability Insurance required.

If the Principal has any concern about whether a particular request for a letting is appropriate or not, he will consult with the Governors' Finance, Personnel and Premises Committee or the Chair of Governors where time does not permit a decision from the named committee.

An annual report on lettings will be made to the Governors' Finance, Personnel and Premises committee by the Business Manager. The report will include information on users, finances, incidents and accidents, enquiries, and any lettings refused.

9. Considering applications for lettings

Organisations seeking to hire the College premises should approach the Lettings Officer in the first instance. The Lettings Policy and details of charges and conditions of use will be issued to the potential hirer at this point. The Lettings Policy can also be viewed on the college website.

A record of all enquiries will be kept on file. A standard booking form (Appendix iii) will be completed for all bookings. The Lettings Officer will check that, where required, the appropriate level of Public Liability Insurance is in place and seek signed confirmation that safeguarding and child protection policy and procedures are in line with Local Safeguarding Children's Board requirements. These conditions must be met prior to the issuing of any agreement.

The Principal will decide on the application with consideration to:

- the priorities for lettings agreed by Governors and set out in the College's Lettings Policy
- the availability of the facilities and staff
- the health and safety considerations such as numbers of users, type of activity

10. Issuing a Lettings Contract and Indemnity Agreement

Once a letting has been approved, a letter of confirmation will be sent to the hirer, enclosing a copy of the Conditions of Letting of College Premises (Appendix ii), a signed copy of the Standard Booking Form (Appendix iii) and the Indemnity Agreement (Appendix iv).

The Indemnity Agreement (Appendix iv) should then be signed and returned to the College. The College will be in receipt of these signed copies before a letting takes place.

The person applying to hire the premises will be invoiced for the cost of the letting, in accordance with the Governing Body's current scale of charges (Appendix i). We will seek payment in advance in order to reduce any possible bad debts.

An official receipt will be issued for all payments received. All lettings fees received will be paid into the College's individual school delegated bank account. The income and expenditure relating to lettings will be clearly recorded by the College and reported under the guidelines for School Financial Value Standards.

The Principal, on behalf of the Governing Body has the right to refuse an application, and no letting should be regarded as "booked" until approval has been given in writing and payment received in full. The reason for refusals will be recorded on the bottom of the Standard Booking Form and fully explained to the enquirer.
