HIGHLIGHTS FROM THIS WEEK

Year 9 Parents' Evening

Last night saw College open its doors to parents and carers of our Year 9 students.

It's an important time for these students as they go about making their choices of which subjects they wish to study in Years 10 & 11. I'd like to thank all the parents and carers for coming in and hope you found it a useful and informative evening.

PARENTS' EVENINGS COMING UP

Year 13

Year 11 Rehearsal Results Day

This week, our Year 11 students received their results from the rehearsal examinations they sat before Christmas.

It was lovely to see so many excellent results as the students continue to work incredibly hard.

With the all-important exams coming up in the summer, students should ask their subject teachers how they might be able to improve their grades, revise for 1 hour per night, regularly access their revision guides and GCSE PODs and be attending their Period 6s and intervention.

All this hard work will help students fulfil their full potential and achieve the grades they want.

Year 10 Basketball

Well done to our Year 10 basketball team who played in the St Helens Town Cup last night. Playing against other schools from across the borough, the boys gave an excellent display of basketball skills, hard work and

sportsmanship and represented Cowley excellently throughout the tournament, finishing third. Great effort!

Principal's Award

Congratulations to this week's students who achieved the Principal's Award, I'm really proud of you!

Homework in Class Charts

From the beginning of this term, we have been trialling using the Class Charts App to set homework.

Your child's homework will be easy to locate:

1. Open the App and log in
2. Select your child by clicking their name
3. Click on 'Homework' in the top middle of the screen
4. From here, you can scroll down and find out about the homework your child has been set and the homework they have completed.

Login

If you require a login for Class Charts, please contact the main office on 01744 678 030. If you can't remember your details, simply follow the 'forgot password' link on the login page. If you don't currently have the Class Charts App, please download it for free via the Apple App Store or Google Play.

It's been another fantastic week! We've had a strong start to term so far with students looking smart in their uniform and working hard in lessons, so I'd like to thank parents and carers for all their continued support. Take care and have a lovely weekend.

Best wishes, Mr Cormack
