ROLLS-ROYCE INSIGHT WEBINAR

Thursday 2nd February 2023, 6:30-7:30pm

Rolls-Royce is solving some of the world's biggest technological challenges – and addressing some of society's most pressing issues – through the delivery of clean, sustainable power. And they need talented young people, with new perspectives and fresh ideas, to help them do it.

Learn about the wide range of opportunities available for school leavers, hear from current apprentices about what life is like at Rolls-Royce, and get your questions answered by their Early Careers team.

SOCIAL MEDIA APPRENTICESHIP WITH CHANNEL 4

Applications are now open for a Social Media apprenticeship with Channel 4.

The primary activities of the apprentice will be to curate (existing) and create (new) short-form content and distribute it through actively managed social media channels. The Social Media Apprentice will work very closely with key people and departments within C4 and on occasion with external stakeholders.

Qualification Offered With This Apprenticeship:
Content Creator Level 3

Essential Experience & Skills:

As part of the application process, you'll be asked to tell them how you meet the essential criteria listed below.

- Verbal and written communication skills
- Attention to detail
- Organisation skills and ability to prioritise tasks
- An understanding of and a passion for Channel 4's remit
- A clear and demonstrated passion for TV and digital content
- A passion for social media with an understanding of different platforms

For more information about this role, please visit <https://pathwayctm.com/opportunity/4studio-social-media-apprentice-channel-4/>

Closing date is 27th February 2023.
