## ASK ME ANYTHING ... ENGINEERING

Thursday 12 January 2023 | 6:00-7:00pm

Have you got questions about Engineering Apprenticeships?

Then why not come along to this hour long session to ask all your questions to top brands in the industry!

This session is all about you getting the answers you need to help you pursue your dream career.

More brands are to be announced but so far you will get to hear from GSK who are at the forefront of medical discovery due to their science, engineering, and innovation. As well as, Dyson who have their products in over 65 countries and over 1000 engineers worldwide. It is really not an event to miss!

Sign up for free: <https://pathwayctm.com/event/ask-me-anything-about-engineering-apprenticeships/>

## BBC APPRENTICESHIP SCHEME

---

Interested in a career in the media industry?

The BBC have opportunities available for paid apprenticeships for anyone who is passionate about content and looking for their first step into the media industry.

Get experience with the BBC production teams making world-class content for audiences on radio, TV or digital platforms. They have a wide range of exciting roles on offer across the whole of the UK. You'll learn on-the-job as part of a BBC production team, developing your knowledge and skills in an area that interests you, while working towards your apprenticeship qualification.

**Start date:** September 2023

**Duration:** 18 Months

**Salary:** £19,500

**What you'll do:**

Depending on your chosen placement area, you could be helping to come up with ideas and stories for content, providing logistical support to productions or learning how to use technical equipment and specialist software.

Get **BBC Academy industry training** delivered by experienced trainers to learn skills on how to make content for programmes, research, operate technical equipment such as cameras, editing and lots more.

And you'll study for your apprenticeship qualification, learning both on and off the job.

Applications are open now: <https://careerssearch.bbc.co.uk/jobs/job/Production-Apprenticeship-Fast-Track-Level-3/64230>
