INTRODUCTION TO MEDICINE WEBINAR

Hull York Medical School are offering an Introduction to Medicine webinar on Thursday 23rd March, from 5:00-6:30pm.

They will offer you an insight into the medical profession, the diverse career of a doctor, working within the NHS, and into the life of a medical student.

You will also learn how being a doctor differs from other, similar careers in the health sciences.

We will be joined by current medical students to talk about their experiences of studying Medicine and the vocation they have committed to.

There will also be a Q&A towards the end for you to ask any questions you may have.

CAREERS IN BUSINESS

Wednesday 22 March | 8:00am-8:00pm

ACCA is excited to launch their very first early careers virtual exhibition, "Careers in Business", bringing pupils aged 13 to 18 together with employers and careers experts from across the UK to share knowledge on all areas of business.

Exhibitors include Sage, UCAS, Burberry, Azets, Your Game Plan, the NHS, the Ministry of Defense and many more.

Throughout the day, they will be hosting multiple live and interactive sessions covering topics such as:

- understanding the roles available within the business including finance, marketing, HR and much more
- the skills required to get started in different business areas and how to acquire them
- employability sessions such as time management, leadership and application and interview workshops
- informative sessions on training pathways including T Levels, apprenticeships and university

Attendees will have the opportunity to explore our partner organizations via their virtual expo booths as well as network with employers via video and chat functions on the event platform to find out more about their sectors and any early career opportunities available.

This event will be live and interactive on the 22nd March but will be available on demand until Friday 21st April, for those who are unable to attend on the day to review sessions, content and exhibitor booths.
