The flyer promotes a webinar titled 'THE PARENT / CARER EDITION' on 'LCR CAREERS IN THE GAMING INDUSTRY' held on Thursday 30th March 2023, from 18:00 to 19:00. It is part of 'THE LCR EMPLOYERS NETWORK' and 'growth platform CAREERS & ENTERPRISE COMPANY'. The session is suitable for parents, carers, and young people. It features a panel of local Liverpool City Region companies: Avalanche Studios Group, d3t, Lucid, Ripstone, Scenegrph Studios, Skyhook Games, Universally Speaking, and Wushu Studios. A QR code and registration link (<https://tinyurl.com/mpkk9try>) are provided. Contact email: [support@allaboutstem.co.uk](mailto:support@allaboutstem.co.uk).

The advertisement features a dark blue background with white and yellow text. It says 'APPLICATIONS NOW OPEN' in large, bold letters, followed by 'ASTROPHYSICS WORK EXPERIENCE WEEK 2023'. Below this is the website [www.schoolsobservatory.org/wexweek](http://www.schoolsobservatory.org/wexweek). At the bottom, it mentions 'ns0' and 'PROUD TO BE PART OF LIVERPOOL JOHN MOORES UNIVERSITY'.

## Y12 ASTROPHYSICS WORK EXPERIENCE WEEK AT LJMU

Applications for this year's Y12 Astrophysics Work Experience Week at LJMU have opened. This year's Work Experience Week takes place from Sunday 9th to Friday 14th July. The application form is now open and will close on Friday 31st March.

We offer scholarships to all work-experience students. These cover the costs of accommodation and food for the week. Students should provide their own return travel to Liverpool – however, travel costs may also be included in exceptional circumstances.

All applicants will know the outcome of their application by 5th May.

## APPRENTICESHIP OPPORTUNITIES AT ARNOLD CLARK WIGAN

Currently advertising several apprenticeship positions at Arnold Clark Wigan for a September start, including vehicle mechanics (technicians), but also customer service / aftersales advisors.

**Arnold Clark**

The customer service apprenticeships incorporate a Digital Application Support SCQF Level 6 qualification, so are ideal for students interested in progressing into data processing, web or multimedia applications or helpdesk application support.

The apprentice hourly rate is £7.25 per hour, increasing with experience. Other benefits include 33 days' holiday, private healthcare, paid driving lessons and 2x funded attempts at the driving test.

Students who are on track to achieve GCSE grade 4+ in Maths and English + one other subject (which must be science for the technicians) will be considered. An online Maths and English assessment will be undertaken with applicants in lieu of them receiving their GCSE results.

The vacancies can be viewed and applied for by clicking the apply here button below – please be aware that some training will be held in Glasgow, so applicants must be comfortable with travelling on the train and staying in a hotel without parental support – all related travel costs, accommodation and food will be paid for by Arnold Clark during this time.

The closing date for applications is 31st March 2023.
