## ALL ABOUT ENGINEERING AND TECHNOLOGY FROM ONE OF THE BIGGEST INNOVATORS

Programme dates: 3rd April - 14th April  
(virtual work experience)

The future is now! Industry-leading engineers at Siemens are changing the world with sustainability and resilience at the forefront of their innovation. Hear from their experts about where a career in engineering and technology could take you. Get started with the Siemens Virtual Work Experience today and be one step closer to changing the world.

During this programme, you will meet with Siemens experts to explore the core focusses of the business, such as digitalisation, climate action, smart infrastructure and diversity and inclusion. You'll also be able to discover the variety of roles across the company and learn how to kick-start your career with a Siemens apprenticeship, internship or graduate scheme. You'll also have opportunities to ask questions so you can get a clear picture of what a career at Siemens could look like for you.

To ensure that you get the very best experience, the number of places on each programme is limited. Apply soon to avoid missing your place.

## AEROSPACE ENGINEERING WITH AIRBUS

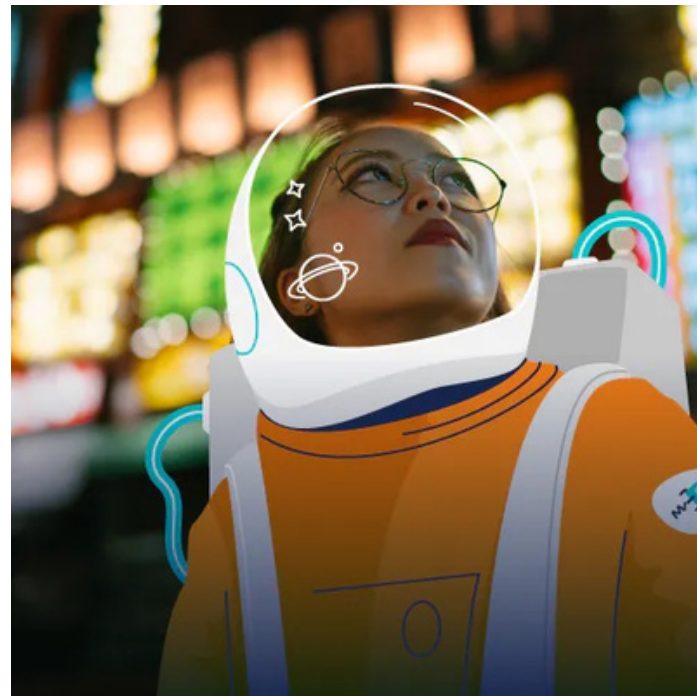

Programme dates: 3rd April - 14th April  
(virtual work experience)

Always been fascinated by space? Simply don't understand how a 300-tonne plane can make it into the sky? Maybe it's time to take the Airbus Aerospace programme! We'll go into detail about Space Exploration and how new initiatives help us here on Earth.

You'll hear from the people who make Airbus the company that it is and give you opportunities to complete activities in various departments to get a feel of what department is most interesting for you.

We'll even let you in on some industry secrets... like did you know it takes more than 3600 litres of paint to paint the exterior of the aircraft?

To ensure that you get the very best experience, the number of places on each programme is limited. Apply soon to avoid missing your place.

## APPRENTICESHIPS WITH TARMAC

Tarmac is the largest construction materials company in the UK, with a wide variety of roles available both out and about and in the office.

Joining Tarmac will give you a chance to shape the world we live in, while building a successful career.

Tarmac. Building our future

Don't be shy – you don't have to be straight out of school or college to apply for our schemes. If you're looking to make a career transition or re-train, Tarmac would love to help you with that too.

They offer Apprenticeships from Level 2 Intermediate, through to Level 6 Degree Apprenticeships.

As part of your apprenticeship, you'll also receive a great salary and a number of company benefits.

 <b>Company car</b> Role dependent, you'll be given a company car or van for when you're out and about, travelling between different sites and locations.	 <b>Paid holiday days</b> Don't panic, we understand work-life balance is very important to your holiday allowance for the year is not taken out of your salary.	 <b>Tarmac Reward</b> Enjoy discounts for a wide variety of retailers, ranging from Apple and John Lewis to Currys and Adidas.	 <b>Tech scheme</b> Get the latest tech at the best price, and spread the payments over your salary interest free.	 <b>Bonus</b> Right from joining, you'll be eligible for our company-wide bonus based on how we've been performing as a way of saying thank you for your efforts.
 <b>Wellbeing</b> Get access to our online portal with exercise classes, recipes and a range of other features - your wellbeing matters to us. Access to join our Employee Communities inc. (SANE, LGBTQ+, Working Parents).	 <b>Save as you earn (SAYE)</b> We'll help you create a savings plan to help you manage your money to get you that first car, house or even on that holiday you've been eyeing up.	 <b>Employee Assistance Programme</b> We'll provide you with completely free confidential support and counselling if you need it. Anything from emotional support and family relationships, to legal information and work and career support.	 <b>Industry qualifications</b> Depending on the role you take, we'll work with you to make sure you get the best training and relevant qualifications for your area of work.	

They still have lots of different roles available across the UK, but don't wait! Their roles close on the 10th April so get your application in soon.

So much more than roads. Tarmac, building our world.

## DISCOVER ACCOUNTANCY - AND LEARN ABOUT THE MOST COMMON MYTHS

Wednesday 12th April | 4:00-5:00pm

Think you know Accountancy? You're in for surprise.

Join the Early Careers team from ICAEW (Institute of Chartered Accountants in England and Wales) as they bust some of the most common myths associated with a career in Accountancy.

Find out more about how to become a Chartered Accountant after leaving school, discover the variety of roles and industries you can work in and learn what skills employers are really looking for.

In this one hour workshop you will find out more about:

- The common misconceptions about a career in accountancy
- The skills you need to be successful in the profession
- The variety of roles, opportunities and different sectors you can work in
- Which routes are available to you, from apprenticeships, to school leaver programmes as well as university options
- What your next steps are, including further skill development opportunities, where to apply and how to find out more!
