Sixth Form Enrichment Fair

We are delighted to have students back in College. Students have arrived looking smart and with the right equipment ready to learn. We have high hopes for all of our students. Our thanks go to parents and carers who have ensured that students meet our high standards.

Each week I send this newsletter to all parents/carers that includes news, updates and student successes. I am already looking forward to sharing news of achievements with you.

Y7s first assembly at Cowley

I would like to extend a warm welcome to our new Y7 and Y12 students and parents. Over this last week, it has been fantastic to see our Year 7s starting their life as Cowleians - making new friends and settling into lessons so quickly.

### Attendance - Everyday counts

Having good attendance at school is really important. Our school target is 97%.

I would encourage parents and carers to contact the Year teams on 01744 678 030 or by email [enquiries@cowleysthelens.org.uk](mailto:enquiries@cowleysthelens.org.uk) if you have any concerns or if you need support in getting your child to school.

## Y12 Parent Partnership Meeting

Last night was Y12 Parent Partnership Evening. It was wonderful to meet parents, answer any questions and share key information about Sixth Form.

## Head Boy, Head Girls and Deputies

Earlier today, I had a breakfast meeting with our Y11 Head Boy, Head Girl and Deputies, as well as the Head Girl from Cowley Sixth Form College. I am very proud of their achievements and confident they will fulfil their roles extremely well. The team will be on hand at our Open Evening next week, as they will be presenting to share their experiences of being a student at Cowley.

## Little Shop of Horrors

Wednesday night was auditions for our whole-school musical 'Little Shop of Horrors'. The talent and enthusiasm of the number students that attended the audition was incredible and proves that the musical will be another success.

## Open Evening, Thursday, 12th September, 4.00 - 7.00pm

Next Thursday, we open the doors to Year 5 and Year 6 for our annual Open Evening.

We continue to be oversubscribed and our annual Open Evening is an opportunity for prospective students in Year 5 and Year 6 and their parents/carers to come into College, meet our staff, students and see our wonderful facilities.

### Extra-curricular activities.

Taking part in extracurricular activities can help young people to feel happier, gain friendships and support their learning and mental health. At Cowley, we are fortunate to have a huge number of extracurricular activities on offer and we encourage all students to try as many clubs, activities and sports as possible. The timetable will be on our website shortly. In the meantime, we have our annual Y7 Enrichment Freshers Fair at lunch time next Tuesday where students can speak to staff about these activities and sign up to get involved!

With such a wide range of clubs and activities on offer, we're sure there will be something for everyone.

Wishing you all a lovely weekend.
