

## What's on next week

**Thursday 9th October**

Sixth Form Open Eve

**Thursday 9th October**

Y12/Y13 Senior Maths  
Challenge

It's been another busy week here at Cowley. We're pleased to see an increasing number of our Year 11 students attending Period 6 revision sessions after school — a great step towards feeling prepared for exams. Every moment matters for all students, particularly our Year 11 cohort. If I could offer advice for exam success, it would be:

- Have great attendance at school
- Work hard in every lesson
- Ask teachers for support
- Attend extra revision sessions - see next page for the timetable
- Revise at home every day

### Sixth Form Open Evening

Our Sixth Form Open Evening takes place next Thursday. This offers a fantastic opportunity to explore options and speak with staff about the wide range of courses available. Book your place using the QR code on page 4.

### School Production: The Addams Family

Rehearsals are now well underway for this year's school production of The Addams Family, and we're thrilled to announce that tickets are officially on sale! See the page 4 for details on how to buy your tickets.

### Sports Update – Hockey at Deanery

This week, our students represented Cowley in a competitive hockey match at Deanery. It was a close game, with the team showing real determination and adaptability. The final score was 4–3 to Deanery, but our players should be proud of their performance and sportsmanship.

### Attendance Prize Draw is Back!

We're excited to bring back Mr. Bennett's Attendance Prize Draw. Every student who achieves full attendance for the week will receive a ticket — and the more tickets you earn, the greater your chance of winning a prize at the end of half term! Take a look at a video on our Facebook page for more.

### Being Organised

This week, students took part in an assembly focused on professional standards and the importance of being organised. The assembly highlighted key behaviours expected in both a school and workplace setting.

Students were encouraged to reflect on how developing strong organisational skills now can help them present themselves with confidence and professionalism.

### Geography Field trip

This week, GCSE students headed to Formby beach to complete the fieldwork gathering data elements of their GCSE.

### Principal's Award

Very well done to the students who were put forward for the Principal's Award this week. There were some fantastic reasons for nominations, and I am incredibly proud of you all.

### Respect and understanding

I want to take a moment to reflect on the importance of respect, understanding, and acceptance - values that lie at the heart of our school community.

As a school, we believe it's always important to support one another and to create an environment where everyone feels valued and included.

It's in our shared values that we find the heart of our school.

Wishing you all a safe and relaxing weekend.

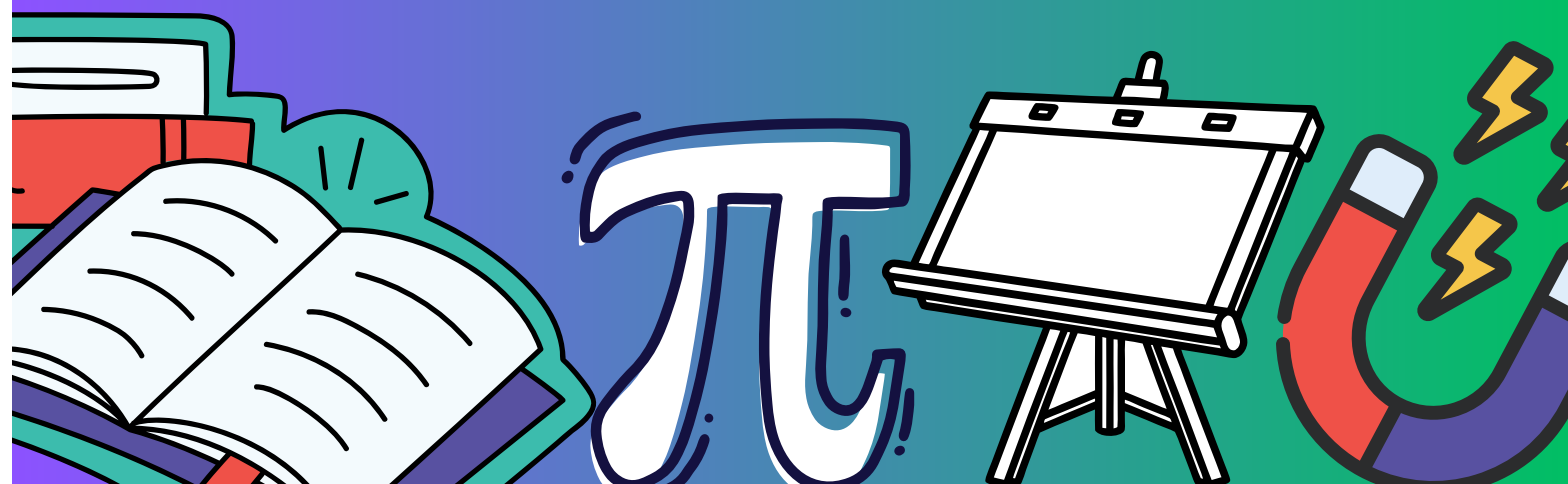

Mr Cormack  
Principal

# YEAR 11 INTERVENTION (P6)

ALL SESSIONS TAKE PLACE AFTER SCHOOL  
FROM 2:50 - 3:45PM (APPROXIMATELY)
