

**WHAT'S ON NEXT WEEK**

**Wednesday, 25th March**

- Y11 Dance Performance

**Thursday, 26th March**

- Y10 Parents' Evening
- Cowley Gold Awards

It has been another busy and exciting week here in sunny Cowley! With spring now firmly upon us, there's a real sense of energy around the school, and we're especially looking forward to making full use of our new solar panels as the brighter days continue. A huge thank you goes to the contractors for their hard work in getting everything up and running so smoothly, and to Cllr Anthony Burns and MP David Baines for their continued support throughout this project.

It's been a pleasure to welcome visitors into our school this week, including Queens Park and Rivington Primary School who took part in Literacy workshops in our library, as well as St Helens Library, who delivered some fantastic reading assemblies that our students thoroughly enjoyed.

**Sixth Form Admission Evening**

Thank you to all the Y11 students who attended the last Sixth Form Admissions event earlier this week.

Your next step is your GCSEs before Cowley Sixth Form College hold their New Student Welcome Day on Monday 6th July.

**Liverpool Philharmonic visit**

On Tuesday, students from across Years 7–13 had the incredible opportunity to attend the "Citizens of Earth: Music for What Matters" concert at the Liverpool Philharmonic.

From the moment the orchestra began, our students were fully immersed in the music.

Each year, the Philharmonic hosts a series of Schools' Concerts, designed to introduce young people to classical music in an engaging and meaningful way.

Well done to all our students for their brilliant participation!

**Y11 Rugby NW Final**

*good luck*

Our Y11 Rugby team will be competing in the North West Final against Bridgewater High tomorrow at the Halliwell Jones Stadium.

This is a fantastic achievement and a moment the team have worked incredibly hard for. We are extremely proud of them and wish them all the very best! We will post match news and photos in this newsletter next week.

**Parents' Evenings**

Thank you to everyone who attended yesterday's Y8 Parents' Evening. A reminder that next Thursday (26th March) is the Y10 Parents' Evening.

**Principal's Award**

Congratulations to the students who achieved the Principal's Award this week.

**Y11 Spring Half Term Masterclasses**

Over the first week of the April half term, we are running Masterclasses for Y11 students, and I would encourage all to attend, please see next page for the full timetable.

**Y11 Prom**

We are all beginning to look ahead to Prom, an exciting milestone at the end of our Y11s school journey. Attendance at the event will depend on meeting key criteria, including strong attendance and punctuality, no missed detentions, no red cards or exclusions, completion of Independent Study Logs, and regular participation in Period 6 sessions (a minimum of two per week).

I am sending a letter home today outlining the importance of the upcoming exam period. The next few weeks are a crucial time for Y11, and we encourage all students to stay focused, attend revision classes and give it all their very best effort.

# SPRING HALF TERM

## YEAR 11 REVISION WEEK

	Monday, 30 <sup>th</sup> March	Tuesday, 31 <sup>st</sup> March	Wednesday, 1 <sup>st</sup> April	Thursday, 2 <sup>nd</sup> April
