<p><b>Engineering</b></p> <ul style="list-style-type: none"> <li>• Materials</li> <li>• Communicating as engineers</li> <li>• Planning, equipment, processes, health, and safety</li> <li>• Design briefs and specifications</li> <li>• Environmental considerations, engineering developments and mathematical techniques</li> </ul>	<ul style="list-style-type: none"> <li>• MS Teams</li> <li>• WJEC website</li> <li>• Class books</li> </ul>	<p>WJEC - <a href="#">Level 1/2 Vocational Award in Engineering</a></p>
<p><b>Animal Management</b></p>	<ul style="list-style-type: none"> <li>• MS Teams</li> <li>• Past papers</li> <li>• Revision Mats</li> </ul>	<p>Pearson BTEC Level 1/ Level 2 Tech Award – Component 3</p>
<p><b>Trilogy Science</b></p> <p><b>Separate Science</b></p>	<ul style="list-style-type: none"> <li>• Revision guide, including practice exam questions you can write on and the mark schemes online to mark immediately. Always start with this resource.</li> <li>• GCSEPod – This resource is excellent to use as a gentle start when entering a new topic.</li> <li>• Science cupboard of resources downstairs in E wing. This is full of past paper questions, alternative revision guides and other resources for you to take as you want them. This resource is good any time.</li> <li>• BBC Bitesize website. For each topic there is reading, a video and a short quiz. This resource is excellent for use before an assessment, to act like a summary and check.</li> <li>• Educake – to set yourself a knowledge quiz and assess the quality of your own knowledge. Again, this resource is excellent for use after studying a topic to act like a check.</li> <li>• Seneca – Lots of resources to use on here.</li> </ul>	<p>AQA trilogy <a href="#">specification</a></p> <p>AQA separates Biology <a href="#">specification</a></p> <p>AQA separates Chemistry <a href="#">specification</a></p> <p>AQA separates Physics <a href="#">specification</a></p>
<p><b>Graphics and Textiles</b></p> <ul style="list-style-type: none"> <li>• Use investigation and experimentation processes in art and design practice</li> <li>• Generate and communicate art and design ideas</li> <li>• Develop practical skills through application and review</li> <li>• Record and communicate skills development</li> </ul>	<p>These will be based around the Year 10 controlled assessment topic title for that academic year and include research, investigation, analysis and design-based tasks. See teacher</p>	<p>Pearson – BTEC Tech Awards</p> <p><a href="#">Art and Design Practice 2022   BTEC Tech Award   Pearson qualifications</a></p>
