26th March 2026

Dear Parent/Carer,

I would like to begin by thanking you for your support with the pastoral, behaviour and uniform changes we have made this year. Your involvement plays a vital role in maintaining the high standards we set for all students. I hope you will agree the changes have had a positive impact – the students' behaviour has been excellent, they are prepared to learn each day and they all look incredibly smart.

We also made some important changes to our equipment routines to ensure students are fully prepared for learning each day and I would like to thank you again for your support with that too. This has enabled lessons to be undisturbed by students asking for equipment and prepares them to be organised each day.

I am very proud of how the students have responded to the new systems and visitors to college have all noted the excellent uniform, the calm and orderly behaviour of students and the purposeful atmosphere in lessons.

The feedback from students regarding the new Behaviour for Learning systems has been incredibly positive.

We also introduced the Professional Standards to guide our expectations across the college and to teach the students exactly how these positive habits can help them in the future. These standards promote values such as organisation, readiness, and pride in learning.

Just after the Easter break, I will write to you all again regarding some potential tweaks for September and also to involve you in the process for making any refinements of the current systems for next year. I will also send an update regarding plans for uniform as we move into the warmer months of June and July and any adjustments that may be made during periods of hot weather.

Thank you all for your continued support and I look forward to speaking to you all again soon.

Yours sincerely,

Mr Hewlett

Assistant Principal
