

15th May 2026

Dear Parent/Carer,

I hope this letter finds you well.

We would like to inform you that all Year 10 students will be sitting their mock examinations in every subject from **Thursday 4th June to Thursday 18th June**. These assessments are an important opportunity for students to experience formal exam conditions, assess their current progress, and identify areas for improvement ahead of their final GCSE examinations.

To support students in preparing effectively, they will be developing their study skills during Team Time in school. As part of this, students will be bringing home their independent study booklets. This is a vital piece of equipment and must be kept well-presented and organised, and moved regularly between school and home. These booklets are designed to support revision and help students make strong academic progress, so we ask for your support in ensuring they are used consistently.

In addition, a wide range of revision materials has been made available on the school website. These resources include subject-specific guidance, revision tasks, and helpful strategies. You can access all materials via the following link:

[Year 10 Exam Hub - Cowley International College - St Helens](#)

We strongly encourage all students to make full use of these resources and to develop a structured revision plan in the coming weeks. Your support at home such as encouraging regular revision, maintaining good routines, and ensuring attendance and punctuality will play a vital role in your child's success.

Further details regarding the examination timetable and expectations will be shared with students in school.

If you have any questions or require additional support, please do not hesitate to contact the school.

Thank you for your continued support.

Yours faithfully,

Mrs J Moran

J Moran

Head of Achievement Year 10
Cowley International College
