

SDR/PCS

10th July 2026

Dear Parents/Carers and Year 11 Students,

As we approach the summer break, I would like to take this opportunity to reflect on what has been a busy and successful final few weeks of term. We hope that all Year 11 students enjoyed the Celebration Assembly and Prom, which provided a wonderful opportunity to recognise their achievements and mark the end of an intense examination season. It was a pleasure to celebrate this important milestone with them, and we are incredibly proud of the commitment and resilience they have shown throughout the year. We are pleased to invite students into school to collect their GCSE examination results on Results Day, **Thursday 20th August 2026**. Students should arrive according to surname during the allocated time slot noted below:

8:30	A-D
8:50	E-J
9:10	K-R
09:20	S-Z

This will help ensure the morning runs smoothly and allows us to support all students effectively. Upon arrival, students should enter via the canteen doors at the rear of the Sixth Form building, where members of staff will be available to guide them. We strongly encourage students to open their results with us on the day. Results Day can bring a mixture of emotions, and having staff available means we can offer immediate advice, support and guidance where needed. Whether students are celebrating success, considering their next steps, or have questions about their results, our team will be on hand to provide reassurance and help them make informed decisions about their future. Students who are enrolling at Cowley Sixth Form will be able to move directly into the enrolment process after collecting their results. Our Sixth Form team will be available throughout the morning to discuss course choices, confirm places and answer any questions students or parents may have. This provides a seamless transition from receiving results to securing their post-16 programme, ensuring students have the support and guidance they need as they take the next step in their educational journey. We look forward to welcoming students back on Results Day and sharing this important moment with them. Until then, we wish all our Year 11 students and their families a relaxing and enjoyable summer.

Yours sincerely,

P Collins

Mr. P Collins
Head of Achievement - Year 11
